Race your way to the cure in October! October is Breast Cancer Awareness Month. To support the cause, locally owned and operated [Octane Raceway](#) will put the pedal to the metal throughout the month to support the American Cancer Society.

From Oct. 1-31, racers can purchase a pink head sock to wear under their race helmet for \$2. All proceeds benefit the American Cancer Society's breast cancer research.

Octane Raceway's 1/3 mile indoor-outdoor go kart facility features karts that go up to 45 MPH alongside virtual reality gaming and arcade games.
