Instead of focusing on boxes of chocolates and red roses, consider bringing a smile to the face of those who need it the most this Valentine's Day. [Phoenix Children's Hospital](#) has made the process of giving to its patients easy with its Valentine's Day e-card.

Simply visit [PCHValentine.com](#) to select your Valentine's Day message and design (a cute dog, cat or frog) and enter your name and email address. The staff at Phoenix Children's Hospital will deliver your card to kids at the hospital on Feb. 14.
