Have another drink! With Christmas around the corner and New Year's a few weeks away, celebration is in order. Figuring out who the designated driver will be, or being the only sober party-pooper can really put a damper on the evening's festivities. Say goodbye to cocktail-free nights and the 'I can't drink, I'm the DD,' spiel and say hello to The Drunk Drivers.

Drunk Drivers is a unique service that not only gets you home after a night out on the town, but gets your car home too. They only charge a \$40.00 flat rate for the first ten miles and \$2.50 for each additional mile. This is comparable to any cab you might flag down in the Valley. It's especially irritating when you aren't carrying cash, and the cab doesn't accept debit or credit. The Drunk Drivers provide wireless credit card terminals for passenger convenience.

After calling the Drunk Drivers a cab will be dispatched to your location. Upon arrival, two fully insured drivers greet you. One driver will put you and your friends in your car and drive you home with the Drunk Driver cab following. It's truly the most convenient way of getting home after a night out.

Plan for a quick 30-minute wait after calling the cab and expect to be picked up in eco-friendly style. The Drunk Drivers are currently running five Toyota Priuses which use advanced, hybrid technology. The Drunk Drivers know how difficult it can be to round up a group when going home so the first 10-15 minutes is on them. After that, they charge \$10.00 every 15 minutes.

Since the company's launch in December of last year, The Drunk Drivers have grown and offer their services to more cities in the Phoenix Metropolitan area. The Drunk Drivers want to accommodate to all their clients by offering service as far out as Cave Creek and Queen Creek. The latest in Garmin GPS technology is available in each cab locating the fastest routes to and from your destination.

This holiday season, give the gift of safety and buy a Drunk Drivers holiday gift card for a friend or family member. Hours of operation are: Monday, appointment only and Tuesday-Sunday, 3pm-3am. New Year's Eve prices start at \$50.00 and reservations are highly recommended.

If you need a ride call 480-266-2020 and for more information email: info@thedrunkdrivers.com or visit www.thedrunkdrivers.com. For up to date information, follow the Drunk Drivers on [Facebook](#) and [Twitter](#).
