Introducing Power Paws from Woodrow Wear: cute, fun and soft tractions socks for your dogs. Created especially for those pups who have a problem with mobility, arthritis, hip dysplasia and any other neuro-skeletal issues, these socks are made of cotton and elastic to provide the comfiest fit for movement and protection from any sort of dangerous, rough ground.

Power Paws are made to protect your dog's paws from both indoor and outdoor environments. From slippery hardwood floors, scorching sidewalks and pavements to tracking allergens from dirt, grass, dust and pollen, they help prevent dogs from any moving difficulty and give them the energy and freedom to run around and play.

Since they are made of cotton and elastic, it is reassured that the socks will stay snug while remaining in place on your dog's feet. Power Paws are available in all sizes for all kinds of dogs, even now available for greyhound and poodle breeds. Woodrow Wear has specially tested their new socks editions for greyhounds and poodles and found that sizes will fit 80-85% of these dogs.

Not only are Power Paws made for comfort, but for style as well. There is a variety of different designs and colors to choose from to make those paws look even more fashionable.

They are also extremely easy to clean because they are machine washable. Just simply toss it in the washer and dryer as many times as needed. A pair of Power Paws is guaranteed to last for several months without any troubles and could be easily replaced.

If your dogs are in need of protection, then Power Paws is the perfect solution and combination of comfort and style to keep those paws healthy and playful. www.woodrowwear.com.
