Tis' the season to give with no limits and show the little ones in our community our support and love during the most wonderful time of the year.

Maracay Homes has partnered with Starlight Children's Foundation to brighten up the holidays for children in local hospitals. For more than 25 years, Starlight Children's Foundation has been dedicated to improving the quality of life for children with chronic and life-threatening illnesses and life-altering injuries by providing entertainment, education and family activities that help them cope with the pain, fear and isolation of prolonged illness. Maracay Homes' annual event "Fill Our House With Love" is supporting the foundation by collecting toys to deliver to chronic and terminally ill children this holiday season, and it's never been easier for everyone to participate!

Simply pick up a Starlight Children's Foundation star now until Dec. 31 from a Maracay Homes location and purchase or toy or two (using the guidelines on the star). Attach the star to the unwrapped toys and return to any Maracay Homes community. Donor will receive a special gingerbread house ornament for their generosity. There is also an option for financial donations, which can be made out to Starlight Children's Foundation and brought to Maracay Homes. So simple and rewarding! Maracay Homes employees will be transporting all donations to hospitals around Phoenix Communities before Christmas and Hanukkah. Don't be a Grinch this year during the holidays and take part in the real reason of the season. To find Maracay Homes locations, www.maracayhomes.com.
