Member-owned and operated, debt free and absolutely stunning in every respect, Mirabel is one of the rare private clubs that continues to improve overall member satisfaction year to year, well above the industry average.

At Mirabel's heart is the spectacular 34,000 square foot Desert Lodge Clubhouse.

It's really no surprise given that the [Mirabel Experience](#) includes 18 holes of superb Tom Fazio golf, a Har-Tru Tennis Garden, a 34,000 square-foot Desert Lodge Clubhouse with luxury spa, fitness center, resort-style pool and incredible dining. But what really sets Mirabel apart from other private clubs is that the membership is running the show.

Since membership in a golf club can often be a once in a lifetime decision, [Mirabel](#) is making sure it's one that turns into the time of your life. Every year an annual membership survey gives the Club's Management and Board of Directors' direct feedback on members' interests and desires. As a result, Mirabel is continually adding one-of-a-kind member services and enhancements that the members have come to know and expect.

Mirabel's championship-caliber Tennis Garden with its four Har-Tru clay courts is unmatched in Arizona.

While many clubs are cutting back or settling at current levels of amenities, [Mirabel](#) just extended their superb fitness facility by 2,000 square feet to provide more state-of-the-art equipment and classes from cardio and strength training to zumba and specialty yoga. Just what the membership ordered.

[Mirabel](#) is without question one of the most social, engaged private clubs in North Scottsdale. It's a full dining room on Spaghetti Sundays where fine dining is legendary to start with. Finally Friday Happy Hours are always a hit at the end of the month where Members celebrate recent hole-in-ones with friends and family. Tennis socials around the Har-Tru courts, the Mirabel Wine Walk, Photography Workshops, and Nine and Dine golf evenings are just a few reasons members become friends so easily at this exceptional club.

Mirabel is perhaps best known for the exceptional quality of its highly acclaimed Tom Fazio-designed golf course.

Surrounded by lush desert views and dramatic mountain vistas, [Mirabel](#) also creates a close knit community, ideal for giving back to the local community with hands on involvement in charity events. Hope for the Cause – Mirabel Charity Classic is an annual series of golf and other events started in 2009 that has donated over \$275,000 to the Cancer Clinical Trials Program at Scottsdale Healthcare Research Institute.

Mirabel membership is limited to maintain the intimacy of the club. Property ownership within the community is not required to join. For more information about Mirabel or to apply for membership, please contact [Gary Ireton](#), Membership Marketing Director or call 480-437-1506.
