Gorgeous grounds, plush interiors and fine dining are just some of the amenities that make Splendido the new gold standard in adult community living, 55 and better!

When entering the grandiose piazza, you're greeted with expansive views of the Santa Catalina Mountains. Will your day consist of a brisk game of golf at the 18-hole putting course? Or perhaps a relaxing day at the spa with a glass of wine is more up your alley. Whatever you're craving, this community will renew your zest for life. Welcome to what could be your new home—well, as long as you're at least 55 years young.

Splendido is a Continuing Care Retirement Community nestled into Oro Valley's breathtaking Rancho Vistoso. The property is located just minutes away from some of Tucson's best golf courses, restaurants, shopping and trails—not that you would ever want to leave.

This 27-acre community offers everything you need to enjoy your passions, or even discover a new one. Feed your creativity in Michelangelo's Studio, where you can paint with your true colors or head next door to the Cinema Delfino to catch your favorite flick. Stimulate your mind in the Catalina multipurpose room with classes, lectures, and workshops.

Don't forget that to stay active is to stay well! Get physical at Splendido's 10,000-square-foot Saluté Spa and Fitness Center. Pump some iron or get in some cardio at the gym filled with state of the art equipment. Looking for something less strenuous? Take a class at your own pace in the aerobics room or soak up the sun by their invigorating saline pool. Unwind in the whirlpool spa or get a massage in your own private room. The day is yours to enjoy and the amenities here a plenty!

Once you've worked up an appetite, try one of Splendido's four dining options. Whether you order from Café del Sol's made-to-order meals or head downstairs for dinner, all options are equally elegant and every-bite delicious. Choose from casual dining or a more elegant experience. And when the weather's nice, you may want to sit out on the Terrace and dine under those painted Arizona sunsets.

While the amenities exceed expectations, what really sets Splendido apart from other communities is their onsite healthcare center. Sonora provides state of the art technology, assisted living, and skilled nursing, but most of all the peace of mind knowing you will always be given the care you need.
