Day One: Very Hollywood Michael Kors Luxe Perfume Spray from Neiman Marcus

Are you ready to make your debut? Valley event season—an entire fall of glamorous galas, evening gowns and red carpets—has arrived. Very Hollywood Michael Kors Luxe Perfume Spray will be the best-actress award on your dressing table. This brand-new scent makes its entrance with notes of mandarin and bergamot and reveals a dramatic storyline of wet jasmine, ylang ylang and raspberry, with a beautiful gardenia and amber backdrop. Can we have your autograph? \$300. [Neiman Marcus](#).
