Arizona Foothills Magazine is dedicated to bringing its readers the stories of people who are making a difference in the Valley and making our [home](#) an even better place to live, work and play. Each January, AFM dedicates its issue to Women Who Move the Valley, several women who are making great strides in their fields but still take the time to give back to the community. In past years, AFM has featured some of the Valley's top businesswomen, chefs, arts and cultural advocates, philanthropic heavy-hitters and many more highly respected women.

Now is the time to get your nominations in for 2015 Women Who Move the Valley. Is there a woman in the Valley who you think deserves this honor? AFM wants to know. Please send nominations by Oct. 13, including nominee bios and contact information, to editorial@azfoothills.com.
