BEST TATTOO ARTIST

Jason Anthony of Golden Rule Tattoo is the best kind of geek—he's a master at Lord of the Rings trivia, his favorite made-up sport is Quidditch, his favorite regular sport is curling, and he loves pancakes with crispy edges. A Texan living in Arizona since 1999, Anthony is also a skilled tattoo artist working at the highly esteemed Golden Rule Tattoo shop. This Phoenix-based shop with two locations prides itself on exceeding industry standards for immaculate cleanliness (artists are trained in bloodborne pathogens and sterilization procedures), a homey atmosphere, friendly staff and insanely talented artists. goldenruletattoo.com.
