Prada's Infusion d'Iris Eau de Parfum Mother's Day Gift Set

This gift has the feminine touch your mom is looking for and she will love to add the perfume and lotion to her daily routine in the morning. The perfume is something traditional and mild enough to wear everyday but the d'Iris creates a unique sent that gives a subtle sense of mystery. The set includes a 3.4-ounce eau de parfum spray and a 3.4-ounce hydrating body lotion.

MacKenzie-Childs Courtly Check Teakettle

This is perfect for mothers who like to spend more time in the kitchen than anywhere else. This teakettle is a charming addition to any kitchen with its hand-painted black-and-white check pattern. It is sure to look stunning for an early morning cup of tea when the sun hits the golden highlights on the heavy enamelware. It's made of a stainless steel coat with a ceramic glaze and a wooden handle that creates the perfect finishing touch. It's great for a small gathering as well because it holds two quarts of water and is about seven inches in diameter.

Giraffe at Home Satin Robe

Give your mom something nice to relax in after she finishes her workday or, say, taking care of you. This robe has an elegant silky satin appearance and plush cozy lining. It's perfect for relaxing in front of the television with a glass of wine and presentable enough to wear while getting the mail in the morning. This robe comes in a variety of colors ranging from feminine pink to traditional black.
