Beer 101: My experience

As an overdue date night, my husband and I made the short journey to Growler USA. With 100 tap beers, you don't have to be a loyal beer drinker to find something you love. Typically loyal to wine, I was not very knowledgeable on the vast beer options. The amazing staff at Growler – supervisor, Evie; bartender, Ryan; server, Ryan – helped me discover my love of beer. After discussing my preferences, I found my first flight of beer to be game-changing. More of the beer enthusiast, my husband found his favorites and enjoyed some new IPA's.

The fare was remarkably amazing. A [menu perfect for sharing](#), some of our favorite "Beer Bites" were Artichoke Dip and Growler Tots, the Caesar Salad on the "Greens" menu fresh and tasty and the "Main Event" of Growler Mac and Cheese was the best ever.
