Why let the kids have all of the fun? [OdySea Aquarium](#) in Scottsdale has introduced an all-new after-hours adventure--NightLife at the Aquarium--designed for an adults-only experience on Thursday, Oct. 19, Nov. 16 and Nov. 30 from 6 to 10 p.m. Whether Mom and Dad want to enjoy the sights and sounds of the aquarium sans kids or girlfriends want to get together for a unique, fun-filled night, NightLife at the Aquarium offers guests the opportunity to enjoy a quiet night inside the aquarium in a child-free environment.

According to the press release, full beverage service will be available at three bars throughout the aquarium and the transformed Lighthouse Café will feature a dinner menu for two including one appetizer, two entrees and dessert for \$21. The entire ambiance and décor of the aquarium will be given an “after-dark” makeover, with two NightLife “Chill Zone” Lounges featuring tables, comfortable seating options, and dimmed overhead fixtures for the ultimate date-night mood lighting. The Deep Ocean Theater will feature live acoustic entertainment along with chaise lounges and love seats designed for relaxation.

Other special NightLife at the Aquarium offerings include appearances by the animal ambassadors, mini tours and guided sneak peeks in designated exhibits and back-of-house areas otherwise closed to the public, and Magic Memories exclusive photos to commemorate each guest’s visit.

NightLife at OdySea Aquarium is for guests 21 and over (an ID is required upon entry), and admission tickets are available for online presale for \$21. Tickets at the door are \$25. OdySea Aquarium lifetime and annual pass holders receive free admission to NightLife at the Aquarium and reservations are not required.
