[Brightening Facial Mask](#) by Beauty Counter - Promising gifts that last, Beauty Counter features safer gifts for everyone on your list. We especially love the Brightening Facial Mask, which ensures the recipient will take a little time for self-pampering and enjoy fresh skin rejuvenation in the New Year. This nutrient-rich mask instantly gives skin a brighter look and more even-toned complexion. Polishing kaolin clay deeply cleanses, leaving skin revitalized and renewed, while vitamin C helps reduce the appearance of dark spots. Available for \$48 at [BeautyCounter.com](#).

[One Meaning](#) - This year one of our favorite gifts (for others and ourselves!) is by a philanthropic fine jewelry and gift company in NYC. At One Meaning, all designs incorporate a beautiful and unique symbol they invented that stands for love. A butterfly made of the numbers 813, which means "I love you"...8 letters, 3 words, 1 meaning. The 1 is in the middle because love is the center of everything.® They formed the numbers into a butterfly that signifies you're becoming the change you'd like to see in the world. One of our favorites is the delicate and absolutely beautiful Iconic Love Scapular Necklace, which slips over head to bring the protection of love and light. Each necklace has two pendants, one in the front and the other in the back...to protect you all around. Switch it around for a different look. Choose the iconic symbols that have meaning to you, and Wear Something with Meaning.™ Starting at \$38 at [1meaning.com](#).

[Jonathan Adler Champagne Pop Candle](#) at Lulu and Georgia - For that woman who has everything! The Champagne Pop Candle boasts a lush scent in a metallic vessel that is begging to be reused as a vase. Smells like pink grapefruit, raspberry, French cassis, violet leaves, rose petal, and grape leaf. Feels like New Year's Eve, silk-satin sheets, and a million bucks. We even love the box it comes in - perfect for festive gift giving! However, once you smell it you will want to keep it. So we do suggest buying one for yourself!
