EXTRA EXTRA!

Today marks the opening of SkyPark, a 26,000 square-foot indoor trampoline park, in the Arcadia area of Phoenix!

The building has been constructed into two trampoline dodgeball courts, a trampoline, volleyball and basketball court, 5,000 square-foot "stadium like" main jump arena sunk six feet below ground level, and a five lane foam pit and a designated trampoline area for kids 7 and under. The park is located at 3921 E. Indian School Rd. Check it out! Looks like it will be a place for kids and kids at heart to play and relax!
