Grayhawk Gold Club announced the opening of a new morning/afternoon coffee shop and breakfast eatery, Morning Joint. It is now opened everyday from 6am-1pm in the clubhouse at Grayhawk Golf Club.

Nicknamed Mojo, this coffee shop offers about 2,000 square feet of seating space featuring drinks and foods such as hot and iced tea, espresso with flavors, fruit smoothies, frappes, hot chocolate, pastries, muffins and more of the following:

- MoJo Burrito – scrambled eggs, Italian sausage, caramelized onions, roasted peppers and pickled fennel balsamic salsa
- Pizza Frittata – pepperoni, sausage, basil, tomatoes and mozzarella cheese
- Skinny Frittata – pesto, spinach, Portobello mushrooms, mozzarella cheese, artichokes and sundried tomatoes
- Fried Egg Sandwich – potato bun, fried egg, red peppers, bacon, arugula and chipotle aioli
- Breakfast Lasagna – shredded hash browns, tomato parmesan cheese sauce with poached or fried egg

“Many of our guests are looking for a breakfast option,” said Brian Bevard, Director of Operations at Grayhawk Golf Club. “Like everything we do here at Grayhawk, we will serve great food with great service and try to have a little fun doing it. We think everyone needs some good MoJo to start the day.”
