EXTRA EXTRA!

Marco Bicego will be at Neiman Marcus at Scottsdale Fashion Square next Wednesday!

Since the launch of his eponymous jewelry line in 2000, Marco Bicego has redefined the phrase “everyday luxury.” His sensuous jewelry blends old world Italian craftsmanship with tradition, passion, and imagination; his uniquely crafted pieces are exceptional enough to make a statement, yet personal enough to wear everyday.

Come Wednesday, April 11th between 4:00pm – 6:00pm to be a part of this great experience!
