EXTRA EXTRA!

We are excited to announce that the Women Who Move the City Luncheon will be on May 16th, 2012 in Tucson, Arizona.

Each year, we honor passionate and successful women who have outdone themselves, all in different ways, to make significant contributions to our community.

The Loews Ventana Canyon will be hosting the event from 11:00 am to 1:00 pm. *Arizona Foothills Magazine* is thrilled to have Gina Murphy-Darling speaking at the luncheon.
