EXTRA EXTRA!

Do you like chocolate? What about expensive Belgium chocolate? If that answer is yes, then we have a great opportunity for you!

Adopt Nucoco Chocolate and Cake for £50 and enter the chance to win a GOLDEN TICKET worth £1000.

Nucoco is a new company that sells chocolate and cake using delicious Belgian chocolate and the finest of ingredients, sourced locally where possible.

The company needs your help branding and packaging that reflects the quality of their chocolate!

So they came up with an idea- adopt them. Nucoco Chocolate asks to "help us build our company brick by brick. With each chocolate brick we sell we'll build a chocolate wall, a real structure that will grow with your support and you will have the change to win £1000."
