Don't worry; it's not too late!

Even though casting calls have ended, you can still submit your name, age, hometown, a headshot, and your email to faceoffoothills@azfoothills.com. You could win a chance to be the feature model for our January 2013 edition of Arizona Foothills magazine, and win a bucket load of prizes!

Check out more information [here](#).

We will be accepting entries until June 10th, and good luck! =)
