Yesterday, AZFoothills was able to catch up with celebrity jeweler, Jacqueline Nerguizian (pictured center), for a photoshoot in Scottsdale she is compiling with Isaac Jewelers for their new campaign as well as the back cover shoot of our very own Luxury Issue in November.

Three models: Rachel Mortenson, Pani Ghadimi and Jenny Watwood, were laden with diamonds and jewels from Nerguizian's collection, as well as some of Isaac Jewelers' watches, and lit up the room for an all-out shoot that only solidified the age-old statement that diamonds really are a girl's best friend.

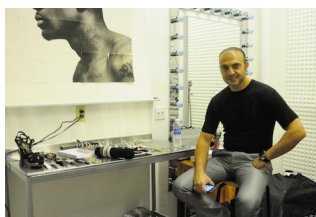

Check out the behind-the-scenes look as these talented individuals work their magic.
