One of our favorite spots to spend the holiday shopping season is Scottsdale Quarter. And just when we thought the high-end Scottsdale shopping destination couldn't get any better, it has announced three new must-visit spots.

Opening this month: [Oil & Vinegar](#) – This high-end shop is known for carrying an exotic and large selection of olive oils, pesto, vinegars, herb mixes, dressings and more--the perfect last-minute stocking stuffers for the foodie in your life. To accompany the gourmet delights, the shop also sells a variety of ceramics and culinary accessories.

Opening early 2013: [Dolce Salon & Spa](#) – For men and women who want to look and feel their best, Dolce Salon and Spa offers a wide range of services. The Arizona-based salon is the largest full-service salon and day spa in North America and provides services including haircuts, manicures and pedicures, massages, facials, tanning and make-up.

[Le Creuset](#) – The famous cookware retailer is best known for its original line of enamel cast-iron French Ovens. Today, the shop sells everything from skillets and sauce pans to tea kettles and glassware. This well-known brand has been around for decades and offers great gift ideas for the pro and novice in the kitchen.
