EXTRA EXTRA!

SanTan Brewing Company's Sex Panther Double Chocolate Porter is making its triumphant return this month, this time in 12oz cans. With hints of truffles and molasses, summit hops are added to balance the sweetness. Then, white wheat is added to give Sex Panther a smooth, creamy head. This brew pairs perfectly with smoked meats and sweet tweets. Made with Colonial Rosewood Cocoa and a large dose of chocolate malt, you can sip on this sexy beverage from January until March, 2013.
