French. Yup. Just in time for Valentine's Day, Rocket Languages, an online language learning company, surveyed 5,092 men and women (1,300 Americans) regarding which languages they found to be the sexiest. Following French, Italian came in second and Spanish was ranked the third sexiest language. English came in fourth. In last place? Korean.

The survey also revealed that if you speak a different language, 79 percent of surveyors will find you more attractive while 77 percent will rate you as more intelligent.

"Can I get you a drink?" or in Italian *"Ti posso offrire da bere?"*

"I lost my phone number. Can I have yours?" Or in Spanish *"¿Perdí mi número de teléfono, me podrías dar el tuyo?"*
