Maracay Homes will celebrate the opening of its newest community in the East Valley, Villagio in Queen Creek, on Saturday, April 13, from noon to 3 p.m. The new community is located southeast of Queen Creek and Sossaman roads.

Conveniently situated in the heart of one of the Valley's fastest-growing towns, [Maracay Homes' Villagio](#) features six all-new one- and two-story floor plans ranging in size from approximately 2,300 to 4,000 square feet. Layouts – which buyers can customize according to their individual needs using [Maracay Homes' FlexDesign®](#) options – offer three to seven bedrooms and two to 4.5 bathrooms, plus three-car garages.

Each home in this Queen Creek new home community is ENERGYSTAR® certified and built according to Maracay Homes' [LivingSmart® program](#) for maximum performance and cost efficiency. Prices start from the mid \$200s.

Villagio, one of 13 new-home communities Maracay Homes will open throughout Arizona this year, is expected to be a welcome addition to the East Valley real estate landscape. Planned with Arizona's outdoor lifestyle in mind, many of Villagio's 135 home sites enjoy easy access to the Queen Creek nature trail and feature a desirable north-south exposure.
