Congrats to Scottsdale's Mirabel Golf Club! Scottsdale Healthcare Research Institute honored the Mirabel Golf Club for donating more than \$700,000 over the past five years through its Hope For The Cause (HFTC) Charity Classic. Scottsdale Healthcare has also dedicated a treatment room named "The Mirabel Clinical Trials Infusion." This newly dedicated suite provides a location for clinical trials patients to receive breakthrough treatment. The patients are closely monitored by the nurses, physicians and scientists of the Scottsdale Healthcare Research Institute.

"Mirabel is a community that has been touched by cancer in a very prolific way," says Ruth Evans, HFTC chairperson. "The Clinical Trials Program is funded by philanthropy, making it a strong focus for Mirabel and the HFTC Committee to enable Dr. Von Hoff and his staff to continue their Phase 1 trials."
