EXTRA EXTRA!

In spirit of the holiday season, do something that will make a dramatic difference in a child's life. We often forget that not all children are fortunate enough to get presents during the holiday season. Through the Romanian Angels program, it is possible to "adopt" an incredible Romanian orphan. In adopting your orphan, you will commit to donating the desired holiday presents for your child. There are still a few children left who have not been adopted. This is your opportunity to make an impact on a child's life.

To adopt a child, simply type your name next to the child on the google spreadsheet below, and they will get in touch with you on details for dropping off your present.
