Is your New Year's resolution to give back to the community? Well, one Valley company is making that super-duper easy to achieve. Through Jan. 18, Valley-based Clean Air Cab will match every single dollar generated from their special Holiday Spirit Cab (which started Dec. 18) and all proceeds will go to Helen's Hope Chest. The local charity fulfills the dreams of hundreds of foster children from throughout the Valley and beyond by providing them with clothing, school supplies, books, gift cards, toys, games and more at no cost to their foster parents.
