Westgate Entertainment District in Glendale has announced that it will welcome four new tenants over the next several of weeks including Harvard Drug Group, a pharmaceutical sales, manufacturing and distribution company; Lockheed Martin, a Fortune 100 company in the global security and aerospace industries; Mattamy Homes, Canada's largest new home builder with operations across Canada and the United States; and Westgate Nails & Spa, a local nail salon.

"2013 was Westgate's most successful year for office leasing, with more than 43,000 square feet of net new occupancy, coupled with another 25,000 square feet of new retail leasing filling ten formerly vacant storefronts," says Jeff Teetsel, development manager of Westgate Entertainment District. "We are pleased not just with the leasing activity itself, but the quality of tenants we have attracted to Westgate."
