Menchie's, North America's largest self-serve frozen yogurt franchise, is gifting fans a coupon for a free six ounce cup of frozen yogurt in celebration of National Frozen Yogurt Day on February 6th. Guests can bring the coupon, available on the brand's Facebook page at [Facebook.com/MyMenchies](https://www.facebook.com/MyMenchies), to the Menchie's Scottsdale Quarter store for their free treat.

For fro-yo fanatics, the combinations will be endless with premium rotating flavors and more than 70 mouthwatering toppings to create the perfect dessert. For added yum, guests can opt to have their yogurt in a signature Menchie's waffle bowl.

"We are excited to celebrate yet another National Frozen Yogurt Day with our Scottsdale fans," said Amit Kleinberger, CEO of Menchie's. "We are always looking for ways to show our appreciation for all of our loyal yogurt lovers and through this deal we hope to put smiles on their faces and also brighten up the days of new guests who have yet to have the Menchie's experience."
