Sprouts Farmers Market has just signed a long-term lease and will relocate its corporate offices to High Street in February 2015.

"Sprouts is a wonderful addition to our tenant mix and follows a year of positive leasing activity and renewed interest from businesses and consumers alike," says Leslie Himley, vice president of marketing and communications for the property. "Sprout's corporate headquarters sets a precedent for additional high-caliber tenants to join the momentum and enjoy High Street's amenities and mixed-use lifestyle."

Sprouts is relocating approximately 300 team members from its current location near Tatum and Cactus to approximately 77,400 square feet of office and retail space on the southeast side of High Street. Sprouts will occupy floors two through four as well as ground-level retail space.
