Now in its fourth year, The Phoenix Symphony benefits from Parties of Note, a series of fundraising events beginning Sept. 30, to be hosted by several Valley philanthropists at magnificent homes and spaces throughout the Valley. Plus, many parties will allow an opportunity to mix and mingle with new Virginia G. Piper Music Director Tito Muñoz (pictured). Phoenix Symphony musicians will also provide private ensembles at each home. All proceeds from the Parties of Note to support The Phoenix Symphony's Annual Fund.

"The Phoenix Symphony is grateful to the hosts for recognizing the value and joy of music and for providing us these unique opportunities to share that music," says Jim Ward, President and CEO of The Phoenix Symphony. "These events are not only ways for our community to get up close and personal with the orchestra and Maestro Munoz but also a really wonderful time with great conversation and company." Over \$200,000 has been raised by Parties of Note since its inception.

Parties of Note have limited seating and tickets to each party are \$175 with the exception of the Young Professionals Party of Note, which is \$75 per person.
