The Downtown Tempe Authority (DTA) just launched Beyond the Bricks, which aims to activate Hayden Square Amphitheater every week with Live Music, Beer + Wine, Food and Giveaways.

State Farm presents an all-ages concert, welcoming visitors to come down and enjoy a free show downtown with great live music that kicks off at 6pm located in the heart of the Mill Avenue District. Grab a blanket or chairs and head to Hayden Square Amphitheater each week where visitors can listen to great local music and enjoy delicious food from some of our favorite local eateries including [Blasted Barley](#) or [Bacus Bros Hotdogs and Beer](#)! Plus there will be wine and beer available for purchase starting at 5:30pm for those over the age of 21, being served up by Hackett Housepitality! "Tempe and the region are rich with creative talent and our goal is to make our downtown the go-to one-stop for free fun for all ages," states DTA.

The community has been asking for more support of the local music community and DTA have answered with Beyond the Bricks. Some amazing local bands have been lined up to play Beyond the Bricks this season offering an eclectic array of music including: Zona Road on November 3, Walt Richardson on November 10, Good Boy Daisy on November 17, Rock Lobster on December 1, and Stanley Serrano Trio on December 8 and the Black Moods on December 15. The current line up is online and schedule is released through end of December with more bands to be announced for January through May. Remember scheduled acts are subject to change without notice and the Beyond the Bricks series will run weekly through May 25th 2017.

Head to Mill Avenue for an amazing night under the stars, enjoy the cooler fall temperatures, fantastic local music, and delicious food at Beyond the Bricks! For more information about Beyond the Bricks visit them online at <http://www.downtowntempe.com/events/beyond-the-bricks>.
