We had incredible weather! I mean off the charts beautiful sunshine, calm breeze and nights perfect for being on the beach and we had it all week-end. It couldn't have been more perfect. With that being said, when are you coming to Rocky Point?

Starting the 1st Saturday in December we're having Mermaid's Market at the Shrimp Park. It'll be the first and third Saturday from 10:00 AM to 5:00 PM. Arts, crafts, clothing, gifts, mermaid's treasures and more will be available. This is perfect timing for your holiday shopping in Rocky Point.

Wrecked at the Reef is collecting blankets for families in need. They don't need to be new; it's the warmth that'll make a difference this winter season. Visit Wrecked enjoy a beautiful sunset from the outside bar, sports screens inside, live music on the week-ends beginning at 9:30 and if you forgot your workout clothes buy some at Wrecked. Wrecked is one of those places for groups of all ages. From young to not so young everyone has a great time at Wrecked at the Reef!

Yes, real estate investment opportunities are abundant this fall season. The better time to buy was yesterday but tomorrow the best time to buy is today! Beach front properties, both condos and homes, are exceptional; with custom décor and amazing ocean views you'll love coming back again and again. As a second home, vacation destination or rental property you'll have it all in Rocky Point. Golf, fishing, beach activities and more add to the value of real estate in Puerto Penasco.

The Convention and Visitors Bureau (OCV) has a goal to have the signed agreement with Aeromexico to begin flights along the Hermosillo, Penasco, and Las Vegas route at the beginning of 2013. The latest tentative dates are February or March.

The Uncommon Women group is having their first "Holly Day" for the DIF Orphanage and the Esperanza Children's Home. It's a day of food and fun for the children. The goal is to bring smiles to their faces and fill their bellies with a special holiday meal. You can contact Kit Anderson, Penasco Fitness Center at 638 388 3988 or Judy MacKenzie, RE/MAX Legacy 602 334 4359 to make a contribution or sign up as a volunteer.

It's the perfect time of year for golf in Rocky Point. With 3 courses to choose from you're sure to have a memorable golfing experience. There's the Peninsula at the Mayan Palace, The Links at Las Palomas Golf Club, or The Club at Laguna Del Mar. Weather couldn't be better for a great game of golf.

If you're looking for a rental this fall and Christmas season contact FMI Rentals www.fmirentals.com or call 602 247 6127. They're sure to have just what you're looking for to enjoy your stay in Rocky Point by the sea.

As this is the season of wonder and a season to build your family traditions; remember it all begins with gratitude. Gratitude for the opportunity to have "wonder" in your life, gratitude for family and for creating traditions you'll treasure forever. Rocky Point offers a very special environment with treasures for all ages today, tomorrow and always.
