From a weekend hike, to a family picnic in the mountains or a big upcoming camping trip, we've got you covered in the accessories department. This camping gear is not only the coolest on the market, it's all very reasonably priced and super effective. You will look like the camping king on your next adventure. Here is this summer's coolest camping gear.

Big Agnes x Helinox x Burton Table One

This lightweight, outdoor table is perfect for eating, drinking or playing a campsite game of poker. It's portable and packable; super easy for traveling with the kids. Stocked with two central cup holders, your drinks will be accessible and sturdy at all times. Say goodbye to the plastic table with wobbly legs and hello to your new outdoor entertainment table. To purchase now, [click here](#).

Big Agnes x Helinox x Burton Chair One

This compressed and deployable chair is great for camping, soccer games, concerts and parking lot parties. A good chair is a must for camping outdoors (how else are you supposed to sit and enjoy your s'mores?) The Burton Chair is a comfortable, sturdy, made-for-the-outdoors chair that is perfect for all ages. To get your Burton Chair now, [click here](#).

Hydro Flask Water Bottle

Staying hydrated in this heat is so important. These insulated, stainless-steel bottles keep your drinks cold for hours. They are perfect on-the-go and for long days outside. Hydro Flasks come in different shapes, sizes and colors so the kids can choose their favorite as an incentive to drink more water. [Click here](#) to learn more and see other products.

Burton, Ideltime Chair

It's a chair, it's a cooler (big enough for that six-pack of beer,) and it's lightweight and comfortable. This multipurpose chair is for the camping guru on-the-go who needs something that offers simplicity and is functional. This chair also has a lifetime warranty. To purchase, [click here](#).

Burton Beeracuda

Locked and loaded with a liquid lunchbox. This over-the-shoulder beer holder vertically stacks cold ones in an insulated sleeve with a handy shoulder strap. A koozie up front and in-reach means you will never be thirsty on your next camping excursion. Shopping tip: this is also a perfect gift for dads! [Click here](#) to purchase your Beeracuda.

Classic Moleskine Notebook

With rounded corners, an elastic closure to keep all your thoughts a secret, and a matching ribbon bookmark, this is the perfect notebook to journal all your summer travels and adventures. The expandable back-pocket is perfect for keeping boarding passes, tickets and other travel keepsakes safe. Send your kids off to sleepaway camp with a journal to document all their memories. To purchase the Moleskine Notebook, [click here](#).

Moleskine Journey Hard Pouch

With kids running around in the woods, you are sure to worry about phones and other small devices getting lost, broken or stolen. This small, protective pouch is perfect for the digital accessories that we just can't seem to live without. Carry it in your overnight bag or throw on the removable straps for hiking, biking or that must-get family selfie. Worried about water? It's also water resistant and has a net pocket to ensure maximum protection. [Click here](#) to get your own pouch; multiple color options are available.

Moleskin Medium Backpack

A backpack is a staple camping accessory. This urban, lightweight backpack has room for all your travel must-haves. A zippered front-pocket can store your important items, while a breathable air-mesh back gives you maximum comfort while hiking, walking or biking. The Nomad Backpack Collection offers dark colors to give you the chic, modern look which is great for on-the-go. Trying to look chic on your upcoming hiking date? This backpack is a must.

Lightweight Sleeping Pad

Did you get talked into a camping trip that you may or may not have been up for? At least be comfortable while you brave the wilderness for a night. This lightweight inflatable sleeping-pad is perfect for ensuring you get the best possible ZZZZs. It has the comfort of an air mattress with no plug or compressor needed. Just a few breaths to inflate and this sleeping pad will maintain your warmth and help you stay centered on the
