All while increasing exposure for local Arizona artists and providing much needed support to our incredible students here at Gateway Academy."

The host of the event, Larsen Gallery, has been a leader in the secondary art market for 30 years. For this special auction Larsen Gallery will also donate 25 works of art for the auction and will give 100% of the proceeds to Gateway Academy.

"Gateway Academy is serving an incredible purpose here in the community by giving students with high functioning autism a place to belong and a safe place to go to school," says Scott Larsen, owner of Larsen Gallery. "We are absolutely honored to help them raise some valuable funds for their school and we hope everyone will join us at the gallery on May 20th for a very special auction."

A call to artists is also being facilitated by Artlink, which is also inviting artists from throughout Arizona to participate. Artists interested in participating should visit artlinkphx.org for details.
