Blackstone Country Club at Vistancia's annual Singleton Moms Charity Golf Tournament raised \$57,000, with an attendance of 92 golfers at this year's event, to provide funds for local single parents who are battling cancer. Blackstone Country Club has raised more than \$284,000 for Singleton Mom's since 2011.

This year marked the sixth tournament hosted by Blackstone Country Club, located within the 7,100-acre Vistancia master plan in Peoria. The Singleton Moms non-profit organization is dedicated to bringing hope, help and support to struggling single parents in Maricopa County who are fighting the disease.

Singleton Moms was founded in 2006 by two Valley women who watched their childhood friend, Michelle Singleton, succumb to cancer.

Blackstone Country Club members and local businesses donated to play the award-winning Jim Engh designed championship golf course, enjoyed an awards lunch and a silent auction at the club.

Blackstone Country Club offers unique experiences and resort-style amenities for every member of the family located in a magnificent setting featuring a pristine natural desert backdrop, spectacular mountain vistas, and gently sloped hills surrounded by nature's stunning beauty.

The club's private golf course is a four-time *Golf Digest* national award winner and was ranked No. 2 "Best Private Golf Courses" by *Ranking Arizona*.

Blackstone Country Club is located within the private, gated community of Blackstone at Vistancia in Peoria. Take Loop 303 to the Lone Mountain Parkway (exit 127). Visit www.blackstonecountryclub.com for more information.
