Saddle up for the SVS Sport Horse Auction, one of the most elite horse auctions of the year. Full of entertainment for the whole family, you're invited to the Barn Tour & Preview Party on Sunday, March 17, at 2 p.m. You can meet the horses and get a glimpse into the daily procedures of a competitive sport horse show barn while you meet the stallions, mares and babies. There will also be a Trick Riding presentation, a Grand Prix level dressage performance and a High Jump demonstration sure to keep you on the edge of your seat!

The fun continues with the auction on Monday, March 18 when gates open at 4 p.m. SVS Horse Sales will provide an auction that features top quality sport horses well-suited for modern equestrian sports, specifically dressage, hunters/jumpers and equitation. You can also raise your bidding paddle for a donkey that was donated for the auction to support the Arizona Foster Children at the Phoenix Dream Center. One hundred percent of the proceeds will go to the remodel of the family center, which strives to provide a place where teens can relax together in a family-style atmosphere.

For location, directions and more information on this premier event, visit www.svshorsesales.com.
