Godspell, the first major musical by Wicked composer Stephen Schwartz, has entertained audiences around the world--and now it is Phoenix's turn.

Under the direction of Producing Artistic Director Michael Barnard, Godspell features Michael Sample, "Che" in the 2016 production of Evita, in the role of Jesus. Rounding out the cast are Chanel Bragg and leading man James Gish from this year's Newsies. It's an all-star cast for this Tony Award-winning, family-friendly musical.

Due to outstanding advanced sales, Godspell has extended for one additional week, opening April 18 and running through May 20. Tickets start at \$29 and are available to purchase by phone at 602.254.2151 or by visiting phoenixtheatre.com
