This is it...the final chapter in our "Wedding Décor to Die For" series: [Lounge Furniture](#). We love adding lounge furniture to a cocktail hour or an after dinner party to create an area of intimacy and comfort while remaining stylish and chic!

Look at this AMAZING blue "girly girl" chaise lounge from [Fresh Wata](#). Helloooo gorgeous! Who wouldn't want this at your next event?

And calling all stylish couples that want a new shape of lounge furniture to spice up the room, check out this "Round A Bout" from [Fresh Wata](#) that comes in this blue, white and black color or you can get the black and white stripe or an all white one! So fun and it makes us want to design a whole wedding around circles!

Speaking of black and white stripes, this little number called "The Den" from [Fresh Wata](#) is traditional with a twist! Love it!

Need a weather resistant, but stylish piece for an outside lounge area? This slick white and beige "Havana Sofa" from [Designer 8*](#) will work great for you.

What about this black and white damask "Kidwell Sofa" from [Designer 8*](#)? Yes, it is gorgeous!
