If you have opened any wedding magazine in the past few months you have seen them, *everywhere*. From celebs like Chelsea Clinton on her wedding day to fashion forward red carpet wear glamorous belts are a stunning way to make any dress look even more fab.

Embellished wedding dresses with sashes are just about everywhere, but you want something different.

Define your waist and add some sparkle, just add a belt.

That one-of-a-kind wedding dress that you have been obsessing about for years and can't wait to wear on your **big** day can't really be worn to an anniversary dinner down the road.

Belts can be worn again! They not only add an amazing detail to your dress, and give it a totally individual design, but they can be added into your wardrobe after your wedding day is over!

"Okay Ashley, you talked me into it. Where do I get one of these beautiful belts?"

I am so glad you asked.

Our Wedding Dress Trends blog series here on Arizona Foothills is featuring trends and where you can get them, right here in Arizona.
