---

Are you tired of seeing the same things at every wedding? We have 10 new products that you are sure to love!

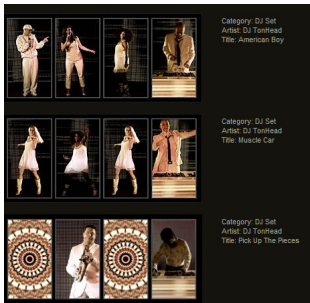

1. Looking for a way to pretty-up your signature drinks? [Dress the Drink](#) can add the perfect detail to your drink.

2. Want to add a little custom piece to your bouquet? You can design a custom bouquet text tile at [Paloma's Nest](#).

3. Need entertainment for your wedding, but want to do something new? Check out [Atmosphere](#), a company that was introduced to us by [Sasha Souza](#).

4. Want to add height and color and texture to your wedding day? [Pink powered by Moss](#) has some amazing fabric structures.

5. How about some fabulous chairs or sofas? [Fresh Wata](#) carries a lot of colorful and unique rental pieces.

6. Add some bling to your wedding! [Light Charms](#) are magnetic lighting accessories.

7. Need something to carry your wedding day items in? Try a cute clutch from [Davie and Chiyo](#).
