Bride & grooms are always in the market to "beautify" themselves for their big day! You are sure to love the new URBAN WAX studio located in Arcadia Village. This hip little studio offers full body waxing, sunless tanning and lash/brow tints.

If you want to keep this place your little secret go right ahead, but I can guarantee you that all members of your bridal party will love this place too! Let's get to the good stuff of why Urban Wax is different than other studios:

- They only use the highest quality salon products
- No DOUBLE dipping EVER
- Highly Trained Professionals
- NO, recycling of wax!
- Ouch Free Waxing

These are just a few of the rules Urban Wax lives by. Once you walk in to this bright space you will see for yourself how clean and maintained it is.

Urban Wax takes pride in the types of products they use and sell in the retail portion of the studio. Each person is highly trained and knowledgeable on all services and products. They have a full list of services for BOTH women and men and best of all walk-ins are welcome!

So will you DARE TO GO BARE?
