Bridesmaids have been chosen for a special reason. They are a fabulous, fun and meaningful group of women that the bride has handpicked to spend the happiest day of her life with!

For a bride who wants to feel unique and chic on her wedding day, fun outfits for her and her bridesmaids to wear is a must.

It makes pictures look beautiful for those getting ready shots in the beginning of the day and no one is worried about what to wear before they get into their wedding attire. Even celebrities, including Khloe Odom have joined in on this cute bridal party trend.

So where do you go for the cutest new bridal party looks?

True2theHeart is an Etsy Shop with a bridal collection inspired and designed locally in Arizona. Add shopping here on your wedding planning checklist two months prior to your wedding day. Each customized look takes 3-4 weeks to be completed to match your modern, chic or country bridal style. So if you're a shabby chic bride who prefers cowboy boots to stilettos then True2theHeart is customized to fit your fun, gorgeous personality!

Say you're a bride that enjoys a little more of the GLITZ and GLAMOUR when it comes to your everyday lifestyle. JustJen specializes in brides like your blingy self! Each shirt is rhinestoned to perfection, with exactly what you want it to say for your special day. Swarovski crystals are used to give each customized shirt a beautiful end result. If bridal party wear is a last minute decision, don't panic! JustJen ships your order out in 1-2 days, so it will be here just in time to for your fairytale wedding!

Last but most certainly not least. There's a Bridal Collection for the girl who wants a choice when it comes to her individual style and fashion sense. If each outfit you choose to wear on your normal day-to-day has your own personal flair, then your wedding day should be no exception.

The Wedding Chicks Shop had chicks like you in mind when they created their tanks & tee designs. Each design is simplistically stylish and you definitely can't get these gorgeous designs anywhere else.
