If you're looking for a fabulous venue for your Valley wedding, consider the Desert Botanical Garden. This gorgeous venue can accommodate anywhere from 10 to 300 guests in both indoor and outdoor locations.

Just imagine - your big day amongst the beautiful varieties of plants in the garden. Incredible photo opportunities everywhere you look!

And the event team at the Desert Botanical Garden makes planning your wedding as simple as can be. The Garden is flexible with budgets and has no surcharge on rental fees and no food or beverage minimums. They really do all they can to make the Garden the perfect place for your wedding, regardless of whether its big or small.

Here are the main roles the Garden will play in your wedding planning:

- site visit, contract, and venue payment
- final walk-through
- coordinate and run the rehearsal
- oversee vendor set-up
- run the ceremony
- oversee the transition between the ceremony, the cocktail hour, and the reception
