I'm so glad we live in a world where there are Octobers- it's truly my favorite time of year. It's kind of nice to bid farewell to that summer wardrobe and update your closet for that seasonal switch. Here are 8 trending finds I'm eyeing for autumn...

[Fawn Design's Fawny Pack](#)

Yes, it's a modern twist on fanny packs, but hear me out- as a mom, I'll rock anything that's cool AND convenient. The Fawny Pack is a savvy alternative to the cliché fanny, flaunting a chic, hands-free physique. Wear it for travel and activities; the main zipper compartment can fit essentials like a phone, keys, sunglasses, and lipstick, and features 6 interior card slots for your ID, cards, and cash.

[Mama B. Designs Cozy Long Sleeve](#)

This new every-day long sleeve has a fresh update with a soft poly-viscose blend, draped silhouette and wide neckline that can be worn on or off the shoulder. Heather grey with Mama B. Designs' signature MAMA stamp. Looks fab with jeans or leggings, and 50% of your purchase benefits March of Dimes!

[Birdiebee Cropped Hoodie](#)

Fit for women on the go, this new Vintage Brizee Camo Cropped Hoodie features a cropped length with a boxy fit and a raw hem for a deconstructed feel. Ultra-soft French terry and bold make this style the perfect statement piece. Plus, Birdiebee is founded and designed by the Valley-based beautiful Bella sisters! (Catch their debut of "Total Bellas" on E! this fall).

[Kut from the Kloth](#)

I hated jeans... until now. There's a style for everyone, all mostly under \$100. The array of selections fit comfortable; and trending for fall: flared, frayed, and Boot Cut.

[Teekri](#)

Statement pieces with soul. This unique wooden jewelry collection is handcrafted in India- employing tons of women in the area. Very boho chic, earthy, and affordable. Bangles, rings, necklaces and beyond- all colorfully crafted and incredible impressive.

[Helen Ficalora](#)

The original luxury charm necklace just got cooler. (I haven't taken mine off since my first son was born... 6 years ago.) 14k yellow, white or pink gold letter charms with diamond options and backside engraving. I'm dotting over the new MAMA charm for fall!

[Botkier Pina Kitten Keel](#)

This kitten-heeled number packs a punch. Pair the Pina with a fall dress or with cropped denim. Perfectly sized heel (not too tall) to add a bit of sass to any outfit.

[Botkier Trigger Crossbody](#)

Totally classic with a trendy, versatile twist. The new and improved Trigger crossbody is stylish and sleek- an everyday purse for work or date night. Plenty of pockets for all your essentials, and available in a variety of colors.
