I love October- it's the month that truly introduces us into the season of warmth. I'm all for anything that cozies up a room, in addition to bringing autumn into the home.

Here are ten home finds for fall that will freshen the feel of your most sacred space.

[Thunder Bunny Labs](#)

This 50 states photo map is beautifully crafted and a perfect aid in documenting your family's U.S. travels. The free [Map Maker](#) tool lets you create photos that will fit perfectly in every state. Just upload your photos, adjust the size and position, and download image files that are ready to print!

[LoveSac](#)

Seriously the comfiest way to chill this fall. [These Sacs](#) may look like a beanbag but are so much more. The super-soft fill is made of Durafoam™ which doesn't compress over time. Opt for the GamerSac- a Sac perfect for kids, or the Great Big One that accommodates a family of four!

[Razor E PRIME AIR](#)

Adults will LOVE this new way to cruise outside and savor the fall weather. Razor's fabulous "big kids" electric scooter rides up to 15 mph and goes around 35 minutes per charge. Comfortable, stylish, and so much fun!

[Boll and Branch Pumpkin Throw](#)

This just released *limited edition pumpkin chunky knit throw is perfectly colored and comfortable for fall. Boll & Branch items are all made from natural, organic cotton and no toxins. Super cozy and snuggly for the whole family.

[Nama Mat](#)

Introducing the coolest kitchen and laundry mat on the market- both chic and functional! The Nama Mat looks like an Heirloom rug but is soft enough to stand on all day. Available in an array of sizes, and wipes clean.

[Bundle of dreams CELSIUS](#)

NEW and amazing; the most innovative crib mattress to hit the market. The Celsius introduces ultimate innovation in crib mattresses; a better, safer, COOLER sleep. It's 100% breathable, chemical free, water repellent, and packed with enhanced cooling technology.

[Sum Sum Children's Desk](#)

This new compact children's desk is built for ages 2-6, under \$100, and ideal for fall crafting, Kindergarten homework, and art. With a minimalistic design, modern design, the desk is sturdy; yet light, and easy to bring room to room.

[Sprout Kids Book Display Shelf](#)

What I love about Sprout, is that the brand makes products that require NO tools for assembly. Fill this compact, modern caddy with books per season... switch them out for fall, winter, spring and summer! Finished in modern birch.

[Nuna ZAAZ](#)

The Nuna Zaaz is the "it" highchair, and totally sleek for the modern home. You can customize the ZAAZ to any size or height, and when baby's old enough, there's a hidden lift mechanism that adjusts height easily so he can join in at the table. Removable plastic components are dishwasher safe.

[Safer Alarms Ornament](#)

The Safer Alarms Tree Ornament detects Christmas tree fires before they spark. Simply place the ornament sensor inside the tree, and it
