## CHILDREN'S MUSEUM OF PHOENIX ENSURES CHILDREN RECEIVE FUN, HANDS-ON, CREATIVE OUTLET THIS SCHOOL YEAR WITH THINKER PLAYER CREATOR BOX

Coming off their successful Camp In A Box summer program, the Children's Museum of Phoenix is launching a new program designed to provide fun, creative activities for children this fall and beyond.

The **THINKER PLAYER CREATOR BOX** will launch **Labor Day, September 7, 2020**, and is designed to be an educational supplement in a year that will see many students returning to school via an all-day or partial day online learning. The goal is to provide a creative outlet for children after-school, on half-days, and for preschoolers.

The Children's Museum of Phoenix is proud to partner with **Arizona Milk Producers & Dairy Council of Arizona** on bringing the THINKER PLAYER CREATOR BOX to Valley families this fall.

The THINKER PLAYER CREATOR BOX is **designed for children ages 4-9. Each box contains four weeks of activities with five activities per week.** The activities will be **fun, hands-on, highly engaging** activities that, while still educational, **offer children a much-needed break from academic screen time.**

The focus of weekly activities will be on **STEM, Arts, Literacy, and Movement.** Contents include an instruction guide, a schedule, project supplies, art materials and access to virtual content that fits in with the weekly themes, plus a special themed content bonus bag from AZ Milk Producers.

### Weekly activities are based on the themes of:

Effective Detectives

Ready. Set. Road Trip!

Superhero Adventures

PAWsome Pets

World of Magic and Fantasy

Going, Going, Green

Dinosaur Discovery

Cosmic Cadets

**Twenty boxes will be available for at-risk kids** through a scholarship underwritten by **Barker Pacific Group, Inc.**

As with their virtual summer camp program, the boxes and online content are designed to be an easy and safe experience for kids and parents alike. Each item that is included in the box will be cleaned with a disinfectant by a Museum staff member wearing a mask and gloves so parents can feel safe about the cleanliness of the items being provided.

**Rates for a THINKER PLAYER CREATOR BOX is \$139 per box for non-members and \$119 per box for members which cover four weeks of activities. Registrants must purchase four weeks at a time. Boxes will be available for contactless,**

**curbside pick up at the Museum with AZ Milk Producer's Daisy the Cow delivering the box to registrants' cars safely.**

The Children's Museum of Phoenix continues to remain closed due to the Covid-19 Pandemic. A reopening date has yet to be decided as the Museum continues to monitor the situation daily.

**Registration for a THINKER PLAYER CREATOR BOX is now open. To register or for more information, visit <https://childrensmuseumofphoenix.org/exhibits-and-experiences/programs>**
