The countdown has begun. Yes, we are nearing the time that we officially honor the most special dads in our lives. It is also the perfect time to remember how important your partner is to you, and the entire family.

This year, we have great gadget-like gifts that incorporate some cool techie aspects, appropriate for any modern-man. And, with accessible options like online ordering and quick shipping, you'll have everything you need by June 18th.

**Philips Norelco Bodygroom Series 71000** – Keep dad looking suave with the latest and greatest. Philips Norelco [Bodygroom 7100](#) is an innovative, all-in-one dual-sided male body grooming system that can be used wet or dry for shaving and trimming. It is designed to be a convenient solution for hair removal on all body parts below the neck while being gentle on skin. Philips Norelco Bodygroom 7100 combines a shaver and five-length trimmer into one unit, eliminating the need for multiple attachments. Priced around \$69.99 and can be found at <https://www.amazon.com>.

**Weber iGrill 2**— Technology and grilling have combined, making it even easier for the Valley men to grill the perfect stake. Weber's Bluetooth-enabled [digital thermometer](#) is the right gift for dad's looking to improve their grilling skills. The iGrill 2 takes the guesswork out of grilling by delivering alerts and data directly to users smart phones. Available for \$99.99 at <https://www.weber.com>.

**Beer Aroma Booster** – Great suds for all! Any seasoned beer drinker knows to savor the first few sips of a proper pour—once the beer's head is gone, the brew loses its distinct aroma. Using [ultrasonic vibrations](#) and two teaspoons of water, this innovative design revives the beer's head throughout the drinking experience, so you can enjoy freshly poured taste until you're ready for your next pint. Keep your beer foamy right to the last drop with this innovative design. Available for \$ 39.99 at <http://www.uncommongoods.com>.

**Bug-A-Salt Gun** - Whether a gun enthusiast or not, this modern-day fly swatter is a must! Especially in Arizona, where flies are taking over the Valley, a new nontoxic way to eliminate pesky bugs is welcomed at homes everywhere. It's simple to use: A [miniaturized shotgun](#) effect is generated through this ingenious design. Ordinary table salt is utilized as a lethal projectile with accuracy range of within 3 feet. Bugs will remain whole for easy clean up. \$44.95 at <https://bugasalt.com>.
