EXTRA EXTRA!

Word on the delicious, fresh and modern culinary street is Fox Restaurant Concepts will be opening a new bar in Sky Harbor Airport called Bar Fly this February, which will be similar to the Culinary Dropout concept that opened last year at Scottsdale Fashion Square. Think gastropub with amped-up munchies. Waiting for your delayed flight with carry-ons just got a little more fun.

There's another one in the pipelines- on the coattails of the recent True Food Kitchen opening in Orange County, Fox Restaurant Concepts has a plan to open another True Food in Dallas in the upcoming year.

Food.
